AAAH!

Uh,

Sachi, where are you going?

Madam,

What's with that eye-patch?

Ugh...

Could it have anything to do with Sachi-kun not being here?

When I suddenly opened the closet, that kid...

He's at a delicate period... he's a boy...

ﾌﾞﾂﾌﾞﾂ...

VIOLENCE?

Did he thumb her eye?

DOMESTIC

He was so earnest... for him to do something like that..

I was honestly shocked.

So this news was about Yuuchin-san? Isn't he only 14 years old? I can't believe he's doing stuff like this already...

How the times have changed... When I was in middle school, there were one or two kids in each class like that.

And despite that... As soon as summer vacation came around, the timid girls who wore glasses put on shorter skirts and got their hair cut Sauvage-styled!

Ahahaha!

Most middle-school kids nowadays have experienced it...

A middle-school debut for most.

It's already two in the morning...

And now the number one hit "Daishime-tai"!

Aaaah...

The middle-school students in my grade are simple and diligent.

If you take an active middle-school student like me as an example...

Let's make an AV together.

We're not using them anymore.

Having sex while watching porn?!

Sex?!

There's no reason to think of such shameless, unreasonable fools as the same.

He's the exception...

And that idiotic woman is a damn chimpanzee.

Nah, Saeki's just a monkey.

They stopped just before the good part...

Aww man

Huh? Sachi.

You haven't done it yet? This ain't no laughin matter

Have you even been *trying* to get laid?

But... What if that's true? Am I being left out?

New school term

'ELLO!

HEY, HAVE YOU DONE IT YET?

The media is spreading outright lies!

Shirai-kun, you're a virgin?

All you do is masturbate when you're at home?!

No way!

Sure, there are minors who ditch school and get paid for sex...

Whaaaat?!

Are they...

All doing it?!

But don't lump them in with the rest of us!

Male cicadas...

To be able to attract a female, they have to cry out until they die

Nana-sensei...

Is there anything left to do this summer vacation...

So that you won't have any regrets when it ends?

Well then, Sachi-kun...

Haha haha ha!

You wanna make some memories together?

Please.

Don't tease me like that.

But we can't today.

We need to prepare various things first.

Well then, let's do it the next time I come!

I'll get the stuff, so don't worry about it! ♥

Let's wash!

IF it's not clean...

It'd be rude to Nana-sensei!

Well then, Sachi-kun...

Would you like to take my panties off yourself?

I have prepared myself for you fully...

I hope you're ready, Sachi-kun...

N-nana-sensei's... It's so beautiful...

Because it's time for us to make some memories! ♥

This summer...

I'll finally become a man!

Sachi-kun...

What the hell is th. thing?

Help me clear off the bed.

Ah, this year old swimsuit is starting to get tight on me...

Alright! Let's do it!

Even if I spin her around one thousand times, the one to smash the watermelon...

Will be me, won't it?

Is this what she meant by "summer memories"?

Siiigh...

Watermelon Splitting!

<3 <3

<3

It's like a boobie merry-go-round.

Hold up...

If I pull this, it looks like it might come off...!

Let's see... Every rotating object experiences a "centrifugal force" pulling it away from the center of the rotation.

That means it's possible!

Ahaha hahaha!

Sachi-kun, you're doing it too fast!

IF I tilt the axis of revolution to the left, the effects of gravity...

Yes! There should be enough force to cause the breasts to spring fourth from the swimsuit!

ゴゴゴゴゴゴ

This is more difficult than I expected it to be!

Uhh...
Waaa-teeer-meee-looon...
Whoa wee!
Ah!
Head is spinning...
Ugh.
That hurt...
Aaaaaaaaah!
YAH!

I was hiding under my bed!

Hm?

I DID IT!

That I got from Saeki...

The porno...

はひ

The tragedy of losing the treasure I had just acquired...

...Ended up being the biggest memory that summer.

EN: I'VE HAD WORSE

I raised my voice and cried out.

I cried.

GOTCHA!

And with that, the curtains fell on my summer vacation...

EN: ...NEVERMIND

On the first day of the new school term...

I've never seen her before... Do you think she's a transfer student?

She looked like a hooker.

Sachi-kun, hello.

That voice sounds like Yukimura-san's...

Hello Yuki-

I switched...

My glasses to contacts... Does it look weird?

As soon as summer vacation came around, the shy girls who wore glasses ...

Changed to contacts and shortened their skirts.

Is this really Yukimura-san?! She looks completely different! Don't tell me...

A middle-school debut?!

Huh?

You going home?

Mayuko, try this.

Minors can't smoke, you know.

Fuck that, it'll be a good experience.

And your skirt's way too long. I don't like it.

But if it's this short, people can see my panties when I bend over!

So?
It's not like your panties disappear when someone sees them.

C'mon,

You're not a virgin anymore.

Your serious, bespectacled timid look is gone...

How can you change so much just after one summer of "experience"?

Uhh...

Did it hurt when you wore your contacts?

Although it was my first time, it didn't.

Chapter 40: 20000 Yen

TL Note. 20000 yen can get you a PS Vita

There's this Yukimura Mayuko girl in Class 2,

and if you pay her wenty thousand,

She'll let you do her.

Hmm.

So you're r'ch, huh, Shirai-kun.

Okay.

There's still people doing club activities outside

Doing it here is kinda risky, don't you think?

Can you take them off for me..?

How can you forget your textbooks every single day?!

Ow

Sheesh.

Hah

Ah... People outside might hear me moan...

The transfer of pollen from a stamen to a pistil is pollination,

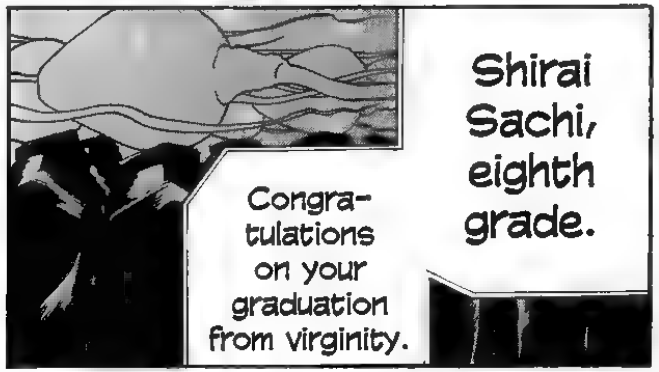
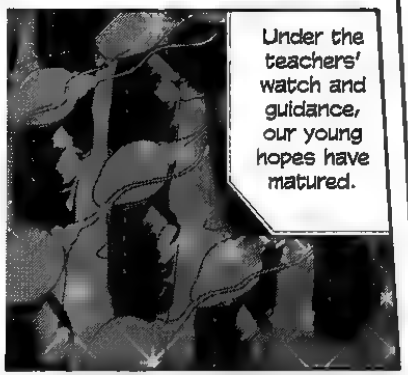
TL Note: They're singing what students usually sing on graduation day.





Thank you very much.

Yukimura Mayuko-san. First up,

I'd like to hear why you are interested in this job.

Admire

So... my motivation?

A certain female private tutor.

Huh?

Yes.

Like, there's someone on TV whom you admire or something...

I've also trained her to be able to pose in costumes, among other things.

Even though she has this kind of body, she's still 14, you see!

Yes.

14 years old, G cup.

Ahaha

Nevermind, she was just being spontaneous.

The answer to that has already been written on her profile sheet.

I think she's great.

Haha haha.

It's going to get harder From here on!

But I feel tired already.

I think it's time to speak with your parents about this.

It went well, didn't it?

Yes... That's a good sign.

Are you okay with this, Yukimura-san?
But isn't that a waste?

Yeah.

Instead of going farther...

I want to get closer.

Sorry I jumped to the wrong conclusions, so, uh...

can you give me back.. my money .?

Sure.

Um, Yukimura-san...

Yagi-kun

Hey, Sachi.

A few days ago...

Wanna go to a mixer?

The senpai who teached me how to play guitar set it up for us.

We're being set up with high school girls, man!

Mixer?

brought up the topic while strumming his air guitar.

Yagi-kun, who sold his guitar recently,

Ahh, ahh!

Ahh

Mamaaa! Onii-chan and his friend are watching naughty videos!

Oh, shit!

What, you can't?

Well, whatever. I'll just invite Makki.

"King's Game" ...?

Mixer

A group of boys and girls meet for the first time to chat and play games like "King's Game" and "Yamanote Line Game". It's a very exciting event.

Meeting with people is important, you know.

No...
HOW you meet them is what's important.

In that event, boys and girls happen to meet by pure chance, introduce themselves to each other, and sometimes fall in love...

Because they want to fall in love so bad, they pursue meetings more than getting to know people...
That's what mixers are; an unnatural, disorderly event.

Ow

I don't have to go to these *mixers* just to meet my destined girl!

Ugh...

The red string of fate on our ring fingers will surely pull us together someday!

This is why

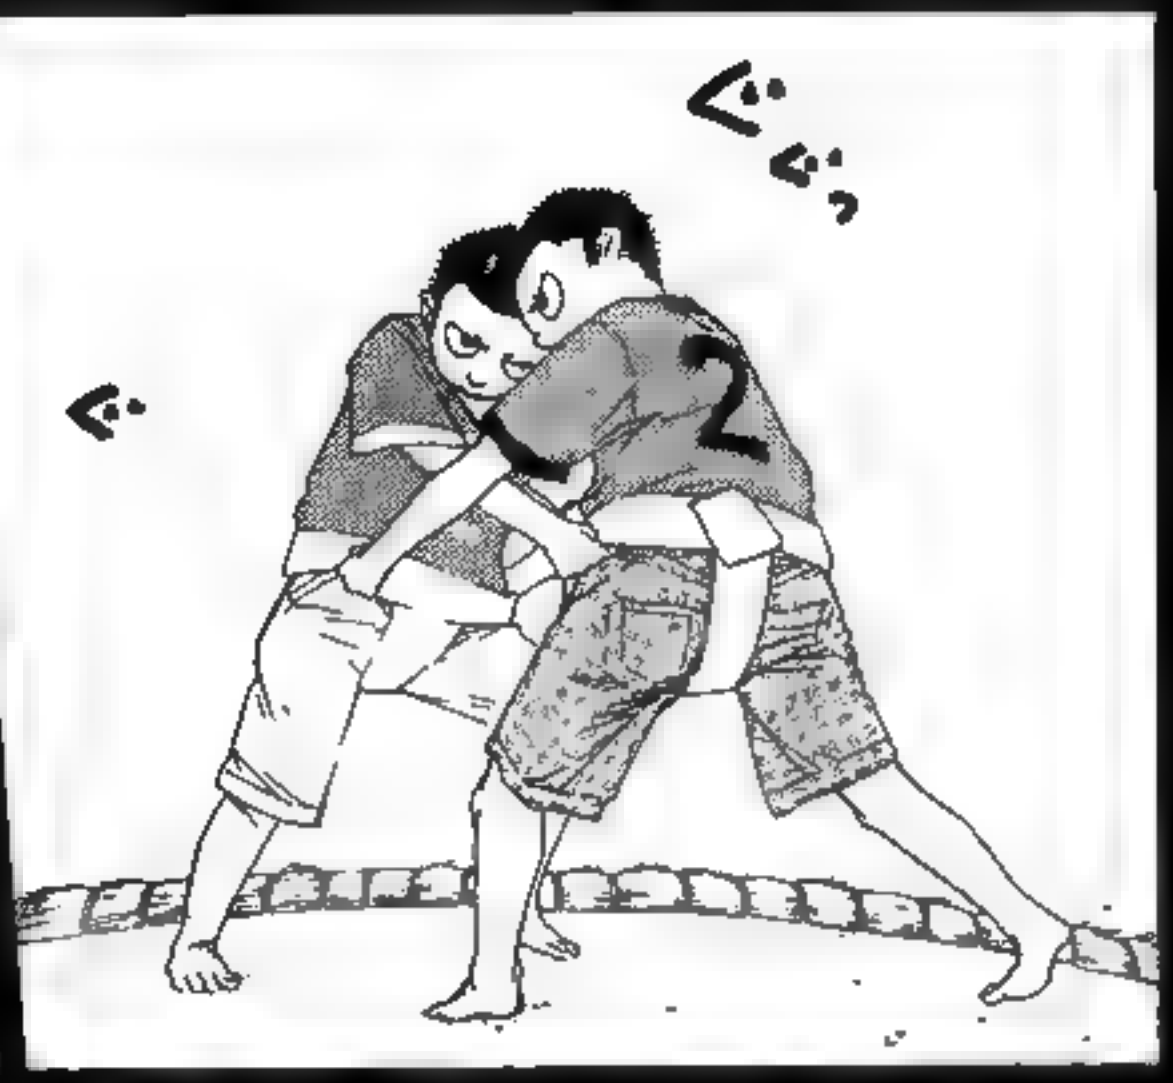
I hate VIRGINS like you.

2

ص

Yes, that's right.

I am thou, and thou art me.



But you're a virgin, too!

that you are afraid!

That's why I know...

I'M NOT!!

I know...

I'm NOT afraid that nobody in the mixer will like me!

Not at all!

You have a lot of pride for a small guy.

You're such a show-off.

It's okay.

You're *popular* now.

PRICKLE

You look cute, Shirai-kun!

But I didn't know that she's a SHE!

Sachi-kun is down with a fever now, so he can't play.

Eeeh, but he's tall and I think he's cool.

Ahaha hahaha

Really, what the heck!

And what's up with his head? Is he trying to make us laugh with that?

As for his hairstyle, you can tell him to change it after you start going out.

I'd go for him.

No. 801

You're weird, China.

Wahahah ahaha
